## Credits and Grading System

Credit hours stand for the number of class periods in a week for a course during one Semester. If a course has three credits value, it means that the course meets thrice a week for one Semester. The grading system of the Institute works as follows :

1 = Very good (equivalent to 75% marks and above)

1 – = (i.e 1.5) = between very good and good (equivalent to 65% to 74%)

2 = good (equivalent to 60% to 64%)

2 – = (i.e 2.5) = between good and fair (equivalent to 55% to 59%)

3 = fair (equivalent to 40% to 54%)

3 – = (i.e 3.5) = between fair and poor (equivalent to 40% to 49%)

4 = unsuccessful / Poor (less than 40%)

Students who secure an average of 2 and less than 2 will be placed in the First Class. A student who fails to secure an average of 3 will not be awarded the diploma.

The institute may upgrade/downgrade average grade point by 0.5 (equivalent to an award/deduction of upto 5 marks in all subject), if a student performs/does not perform certain voluntary tasks (like extending help to Deaf and Dumb Society, Blind Relief Association, Blood Bank etc.) and participate/does not participate in literary and cultural programmes suggested by the Institute from time to time and develops/does not develop a clean and decent life-style during his/her association with the Institute. The objective of such award/deduction is to encourage development of three dimensional personality [i.e., (1) pursuit of knowledge; (2) commitment to social and cultural uplift of masses and (3) cultivation of taste for Literature, Fine Arts, etc.] of our students.
