GUJARAT TECHNOLOGICAL UNIVERSITY, AHMEDABAD

NR.VISHWAKARMA GOVERNMENT ENGINEERING COLLEGE NR.VISAT THREE ROADS, VISAT - GANDHINAGAR HIGHWAY CHANDKHEDA, AHMEDABAD – 382424 - GUJARAT (INDIA).

TRANSCRIPT (MASTER OF PHARMACY)

Token No: 230123440446-113TZ1

ENROLL NO : 202570824001
NAME : Vasava Arpitaben Bamaniyabhai
COLLEGE : SHRI SATSANGI SAKETDHAM "RAM ASHRAM" GROUP OF INSTITUTIONS. (257)
COURSE : PHARMACEUTICAL QUALITY ASSURANCE

ADMISSION TYPE : Regular

THIS IS TO CERTIFY THAT **Vasava Arpitaben Bamaniyabhai** HAS CLEARED HIS/HER (MASTER OF PHARMACY) WITH CPI OF **8.56** in Jun 2022 .

REGISTRAR

System of Evaluation and award of Degree (M. Pharm)

The passing criteria for each subject are:

- The evaluation pattern consists of a component of internal evaluation by the individual college/institute as well as a final semester-end examination conducted by carries the University. The former components carry a 20% weight and the later component carry 80% weight towards the total marks obtained by the student in a given subject.
- The internal component of the examination consisting of 20 mark which is conducted by the college/ institute on the basis of test/ assignments / seminars / quizzes.
- After adding the internal marks (maximum 20) with the marks secured by the student in the university examination (maximum 80), the marks are converted to a letter grade as per the following:
    1. 85 - 100 marks - AA grade
    2. 75 - 84 marks - AB grade
    3. 65 - 74 marks - BB grade
    4. 55 - 64 marks - BC grade
    5. 45 - 54 marks - CC grade
    6. 40-44 marks – CD grade
    7. 35-39 marks – DD grade
    8. Less than 35 is FF grade
- Students failing in the examinations can take Remedial University Examinations.
- The performance of a student during a semester is indicated in the grade card by a "Semester Performance Index" or SPI, which is calculated as follows:

  Each letter grade (AA to FF) has a corresponding grade point assigned as follows:

  AA = 10, AB =9, BB = 8, BC = 7, CC =6, CD=5, DD= 4, FF = 0.

  If C(i) is the credit of a course i and the grade point secured by the student is G(i) in that course, the SPI is given by the formula

  SPI = $\sum C_i G_i / \sum C_i$, where the sum is over all the n courses taken during a semester. In the same way, the cumulative performance of the student is indicated by a Cumulative Performance Index (CPI) which is calculated essentially by the same formula but for the sum being over all the courses taken in the current semester as well as in the preceding semesters. However, in calculating the CPI, any fail grade which the student might have earned but has subsequently passed will be replaced by the passing grade in that subject. The SPI of the corresponding semester will, however, continue to reflect such failures and will not be recalculated. Class and Distinction etc. will be awarded for the degree on the basis of cumulative performance index.
