**November 14, 2024**

Dear Riya Basoya,

We are pleased to inform you that you have been accepted to the Global Media & Communication Arts program at College of Software Convergence . Based on several factors including your interview, your academic performance, your English ability, and your extracurricular activities, you have been awarded a tuition scholarship of 50%.

In the next few weeks, you will receive an itemized invoice. Once received, please print the invoice and follow the instructions to complete the wire transfer at your bank. International transfers can take 5-15 days, so we recommend making the payment as soon as possible. Please ensure that the payment is sent to the account number listed on the invoice.

After our finance department confirms your payment, we will notify you regarding the hard copy documents that you need to mail to our office for the visa issuance documents processing. Once the visa issuance documents are ready, we will deliver the hard copies and the scanned version together. These documents are required to apply for the Korean student visa.

Make sure to look for more emails from College of Software Convergence.

We look forward to meeting you at College of Software Convergence in South Korea, the Land of the Morning Calm!

Best Regards,

***Sam Kang***
